I bought a toothbrush, some toothpaste, a flannel for my face
 Pyjamas, a hairbrush, new shoes and a case
 I said to my reflection "let's get out of this place"

Past the church and the steeple The laundry on the hill
 Billboards and the buildings
 Memories of it still keep calling and calling.
 But forget it all I know I will

Tempted by the fruit of another
 Tempted but the truth is discovered
 What's been going on, now that you have gone
 There's no other
 Tempted by the fruit of another
 Tempted but the truth is discovered

I'm at the car park, the airport , the baggage carousel
 The people keep on crowding I'm wishing I was well
 I said it's no occasion It's no story I could tell

At my bedside empty pocket, a foot without a sock
 Your body gets much closer I fumble for the clock
 Alarmed by the seduction I wish that it would stop

CHORUS

I bought a novel, some perfume
 A fortune all for you
 But it's not my conscience
 That hates to be untrue
 I asked of my reflection
 Tell me what is there to do

LAST CHORUS
