I am driving up 85  
in the kind of morning  
that lasts all afternoon  
I'm just stuck inside the gloom

Four more exits to my apartment  
but I am tempted to keep the car in drive  
and leave it all behind

Cuz I wonder sometimes  
about the outcome  
of a still verdictless life

Am I living it right  
Am I living it right  
Am I living it right  
Why, why Georgia why?

I rent a room and I fill the spaces  
with wood in places to make it feel like home  
but all I feel's alone

might be a quarter life crisis  
just a stirrin in my soul

either way I wonder sometimes  
about the outcome  
of a still verdictless life

Am I living it right  
Am I living it right  
Am I living it right  
Why, why Georgia why?

So what? So I've got a smile on  
its hiding the quiet superstitions in my head  
dont believe me  
dont believe me  
when I say I've got it down

Everybody is just a stranger  
but that's the danger in  
going my own way  
I guess it's a price I have to pay  
still everything happens  
for a reason  
its no reason not to ask myself

if I am living it right  
Am I living it right  
Am I living it right

Why tell me why-  
Why why Georgia why?
